History: This message has been replied to.

Mia,

Heather will participate in the call. She may call you ahead of time. She has questions about how EPA has dealt with Rails to Trails projects in the past with regard to naming the railroad as responsible party and including the railroad in the settlement. Apparently Union Pacific has retained an interest in the property to be able to use it as a rail line again whenever it wants.

Sandra

Sandra:

Thanks giving me notice of this meeting. This morning I spoke to John Knudson and he confirmed that he will be participating in the teleconference. I do not plan to participate in the teleconference at this time. I will be available to participate, however, should the need arise, and can be contacted directly at (801) 538-7445.

Heather,

I wanted to let you know that a conference call is scheduled on October 25 (Monday) at 2:00 p.m. with EPA, DEQ, United Park City Mines to discuss possible contamination at the Rails to Trails site along the Silver Creek near the Richardson Flat site. I understand two representatives from State Parks and Recreation will also participate, Dan Clark and John Knudson Jr. The call in number is 866-299-3188 and the code number is 303-312-6101 if you or another attorney representing State Parks and Recreation would like to participate. Please feel free to contact me at 801-536-4122, if you have any questions.
